Verse 1

You are gracious in majesty
You're the mighty and humble King
You have always been
You will always be

Verse 2

You were crowned with my sin and shame
You're enthroned in the highest praise
You have always been
You will always be

Chorus

So we lift the cross
His banner over us
For the Lord our God
Is ever glorious
And the heavens shout
Declaring over us
That the Lord our God
Is ever glorious

Verse 3

You are constant forevermore
You're exalted and still adored
You have always been
You will always be

Verse 4

You surrendered in victory
You are risen to life in me
You have always been
You will always be

Bridge

Ever glorious
Is the name of Christ
And his love endures
Ever glorious
