VERSE 1

Here I lay my life down
To be found, found in you
Here I empty myself
To be filled again with you

Over and over again
Over and over again

CHORUS

You are the strength of my heart forever
I run again to your love
You are the strength of my heart forever
My God your love is enough

VERSE 2

There's no treasure on earth
That compares to who you are
I surrender it all
Just to know, know you more

Where you are
There I'll be
What you speak
I will see
I will see your glory
I will see your glory
