

STILL GOD

Steven Furtick, Chris Brown, Mack Brock

CCLI: # 7111933

Until the storm has ceased
Your voice will rise above the seas
We will not fear
You are still God

Here in the waters deep
Your hand will always be beneath
We will not fear
You are still God

We lift our eyes
To you most high
Forever be exalted
Forever you will be exalted
Our help will come
From you most high
Forever be exalted
Forever you will be exalted

Beyond eternity
You reign with all authority
And now you're near
You are with us

Impossibility
Remains no longer when you speak
And now you're near
You are with us

Before the world began
It wasn't spoken yet
You were still God
And You are still God
After Your final breath
It wasn't over yet
You were still God
And You are still God
Before the world began
It wasn't spoken yet
You were still God
And You are still God
No weapon formed against
Has stopped your promises
You were still God
And You are still God
You were still God
And You are still God
