VERSE 1

G D Em C
I'd rather slip walking on water
G D Em C
Than spend my life wondering what if
G D Em C
Lord if it's you tell me to come
G D Em C
Cause you alone can tame the wildest wind

PRE-CHORUS

G D
I know I can make it
Em C
Cause it was your voice that I heard
G D Em
So I'm stepping out, I'm stepping out on your
Cm/Eb
word

CHORUS

G
This is how you walk how you walk on water
One foot in front of the other
Never gonna let you go under
Just put one foot in front of the other

INSTRUMENTAL

G / F // I Em G Am Cm/Eb // I

VERSE 2

G D Em C
I got a faith deeper than feelings
G D
Cause I know a Name that's greater than the

storm
G D Em C
I got a God who never ever fails me

He's close enough to catch me if I fall
