Daide Mutendji, Bryan Fowler, Joey Signa, Jonathan Smith

CCLI: #7148554

## VERSE 1

Whatever Your will  
I want it  
Whatever You say  
I'll listen  
Where ever You go  
I'll follow  
Just to be where You are  
I wanna be where You are

## CHORUS

Woah do what You wanna do  
Woah can't get enough of You  
In my heart have Your way  
I don't wanna leave the same  
Woah do what You wanna do  
Do what You wanna do

## VERSE 2

You are the one  
I'm after  
Gotta be with You  
forever  
Nothing else matters  
But Your presence  
Right here is where You are  
I wanna be where You are

## BRIDGE

You've torn down the walls  
You make giants fall  
I know there's nothing You can't do  
Brought sight to the blind  
Raised dead bones to life  
I know there's nothing You can't do  
I know there's nothing You can't do
