

FIGHTING FOR ME

Jane Williams, Aaron Robertson

CCLI: #7162631

VERSE 1

It doesn't matter what's ahead of me
Oh I know
You'll make a way
and I'll see it
Cause I know that you are real to me
And my soul
Can testify
Oh I'll sing it

CHORUS 1

Jesus in Your name
You make me victorious
Whatever may come
I will shout Your praise
with all my soul
Cause I know for sure that
You're fighting for me
You're fighting for me
You're fighting for me
Oh

VERSE 2

Fear may want to pick a fight today
I won't hide
I'll shout the name
That frees me
I know the song that fights the enemy
And it's mine
Oh victory
Is my story

CHORUS 2

Jesus in Your name
You make me victorious
Whatever may come
I will shout Your praise
with all my soul
Cause I know for sure that
You're fighting for me
You're fighting for me
You're fighting for me
Oh I know You are and You always will be
You're fighting for me
You're fighting for me
Oh

BRIDGE

One thing that I know
That I know for sure
You're fighting for me
You're fighting for me
