Wade Joye, Aaron Robertson, Jane Williams

CCLI: #7162625

## VERSE 1

You are the rock that cannot move  
The fortress I run to  
You're holding me close  
Making me strong within

You give me hope that never fails  
It lights up the darkness  
Surrounding my heart  
Surrounding my soul again

## CHORUS

No weapon  
Will rise up  
Stronger than Your promise  
So I won't be afraid

## VERSE 2

Whenever trouble's on the way  
You come to my rescue  
And run to my side  
The moment I call Your name

I will be bold and stand my ground  
Because You are with me  
No you won't see me runnin  
My victory is coming

## BRIDGE

No fire from my enemy  
Is greater than the flame inside of me  
No fire (4x)
