

YOU (SO CAN I)

Jane Williams, E Edwards, Nick Edwards, Aaron Robertson, Wade Joye

CCLI: #7162624

VERSE 1

You're pulling me closer to You
There's more to discover
Your heart is the deepest ocean
There's life in the water

PRE-CHORUS

I jump into Your freedom in the freefall
You take control
I jump into Your freedom in the freefall
And find my soul

CHORUS

And You make me new
When I surrender to You, I'm alive
And Jesus You make me new
And if You rose again then so can I
So can I

VERSE 2

You're all that I'm giving into
You love like no other
And now that I have found You
There's nothing better
