### VERSE 1

Unsteady through emotions  
I can be so up and down  
I'm trying to find my focus  
When my mind is spinning 'round

### PRE

Maybe I don't need to know  
How He's gonna work it out  
Gotta put my faith in Him  
Trusting He's at work right now

### CHORUS

IYK

Who I know then  
You know  
You never ever have to chase  
What the world could give  
Cause IYKTYK

IYK

Who I know then  
You know  
You never ever have to fear  
Cause He's on your side  
So IYKTYK

### VERSE 2

Doesn't matter where I end up  
As long as I am still with You  
In every situation  
God You've always seen me through

### PRE 2

Maybe what's impossible  
Only seems that way for now  
Gotta put my faith in Him  
Trusting that He'll turn it around

### VAMP

IYK

Who your father is  
Then you know  
How it's gonna end  
IYK  
Yeah you're gonna win
