VERSE 1

When I was just a kid
2m 4 1 5
I dreamed about the life I'd live
2m 4 1 5
Buy fancy cars and a new crib
2m 4 1 5
And cruise around with all my friends, all my
2m 4
friends
But I been waking up
2m 4 1 5
And realizing all those things
2m 4 1 5
Look so much different through a screen
2m 4 1 5
That type of life ain't what it seems
2m 4
Isn't what it seems

PRE-CHORUS

1 5 2m 4
The designer bags are not all bad
1 5 2m 4
But I'll never find my worth in that

CHORUS

1 2m
I
4
Don't need
1 2m 4
A bunch of money, clothes and diamond rings
1 2m
To be
4
Happy
1 2m
Cause all the best things in life are free
4 4
So give me the simple things

INSTRUMENTAL

1 / 5 / 1 2m / 4 / 1 (2X)

VERSE 2

People might say
2m 4 1 5
There's a game you gotta play
2m 4 1 5
Just play along and you'll get paid
2m 4 1 5 2m 4
But I refuse to be a slave, to be a slave
5
I'm just gonna be me
2m 4 1 5
Love all the weird things on my skin
2m 4 1 5
My crooked smile my lazy grin
2m 4 1 5
I'm throwing caution to the wind
2m 4
To the wind

PRE-CHORUS 2

1 5 2m 4
Cause what's popular don't always last
1 5 2m 4
I'm okay with being the outcast

CHORUS (2X)
