

# UNCONTAINABLE LOVE

Steven Furtick, London Gatch, Aaron Robertson

CCLI: #7067565

## VERSE 1

I was going down  
Thought it was for the count  
Then I found your love  
I had wandered off  
Thought I had gone too far  
There I found your love

## VERSE 2

Fear I used to know  
Can't stop me anymore  
Cause I found your love  
When I feel alone  
I have a place to go  
Cause I found your love

## PRE-CHORUS

Great was the debt of sin  
Grace bought me back again  
Now I am rising up  
Won by the Savior's love

## CHORUS

Your love  
Is higher than the stars  
Declaring who you are  
Your love  
Uncontainable  
Your love  
Is deep enough to reach  
The deepest part of me  
Your love  
Uncontainable your love

## VERSE 2 > PRE-CHORUS

## CHORUS

## BRIDGE (4x)

Nothing, no nothing contains your love  
Nothing, no nothing can change your love

## CHORUS (2x)
